No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(*a.*) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(*b.*) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,
A. BONAR LAW.

The Governor-General,
His Royal Highness
The Duke of Connaught and of Strathearn, K.G., etc., *etc.*

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(*a.*) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(*b.*) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public *securities* of those Governments held by the claimants, but

other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

Copy of a Report of a Committee of the Honourable the Executive Council, approved by His Honour the Lieutenant-Governor on the 26th day of April, 1918.

WHEREAS section 3 of the "Probates Recognition Act" provides that the Lieutenant-Governor in Council may, from time to time, on being satisfied that the Legislature of any British Possession has made adequate provision for the recognition in that Possession of probates and letters of administration granted by the Courts of this Province, direct by Order-in-Council that the said Act shall, subject to any exceptions and modifications specified in the order, apply to that possession; and

WHEREAS by section 43 of the "Administration Act, 1908," of the Dominion of New Zealand, the Legislature of that Dominion has made adequate provision for the recognition in that Dominion of probates and letters of administration granted by the Courts of this Province:

MUNICIPAL BY-LAWS.

EAST DELTA PUMP BY-LAW, 1918.

A By-law to provide for the Purchase and Installation of a Pump, with Buildings and Accessories, etc., on the Property within the East Delta Drainage Scheme, 1912, and for borrowing on the Credit of the Municipality a Sum not exceeding $12,500 for completing same. Provisionally adopted the 13th day of April, 1918.

WHEREAS two-thirds in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the said pump and works have petitioned the Council of the Corporation of the District of Delta, praying for the purchase and installation of a pump or other mechanical operation at the head of that certain slough adjoining the original flood-box in the East Delta Drainage Scheme for the purpose of assisting a further and better drainage of the lands and premises contained in said scheme, and more particularly described as follows:—

Commencing at a point on the north shore of Boundary Bay, the same being at an intersection of the west boundary of Section 29, Township 3, and the north shore of Boundary Bay; thence north to the north-west corner of the South-west Half of Section 8, Township 4; thence to the north-east corner of the South-west Half of Section 10; thence north 20 chains; thence east 40 chains; thence north 20 chains to the north-west corner of Section 11, Township 4; thence east and following the northerly boundary of Section 11 to the base of a hill; thence following the base of a hill in a southerly and easterly direction to the east boundary of the South-west Half of Section 12, Township 4; thence south to the south-west corner of the North-east Half of Section 1, Township 4; thence along the south boundary of the Semiahmo Road to the east boundary of Section 2, Township 4; thence south along the said east boundary to an intersection with the north shore of Boundary Bay; thence following the north shore of Boundary Bay to the point of commencement:

And whereas thereupon the said Council procured an examination to be made by D. J. McGugan, being a person competent for such purpose, of the said locality in which the said pump and all necessary accessories, building or buildings, rights-of-way, approaches, or other apparatus are to be installed, and has also procured plans and estimates of the work to be made by the said D. J. McGugan, and an assessment to be made by him of the lands and roads to be benefited by such pump, buildings, etc., and stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of the purchase and installation of such pump and all necessary accessories, building or buildings, rights-of-way, approaches, or other apparatus by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots or lands and portions of the same hereinafter in that behalf specially set forth and described, and the report of the said D. J. McGugan in respect thereof and of the installation of the said pump and all necessary accessories, building or buildings, rights-of-way, approaches, or other apparatus being as follows:—

"NEW WESTMINSTER, B.C., May 2nd, 1918.

"*To His Worship the Reeve and Councillors of Delta:*

"GENTLEMEN,—I have the honour to report to you that I have, according to your instructions made an examination of the drainage facilities of that district coming under the 1895 East Delta Dyking Scheme. I find that, to give the necessary measure of drainage on these lands, it will be necessary to install a pumping station on the site of the flood-gate at the Big Slough which will have a capacity of 20,000 gallons per minute. The dyke, while at present giving excellent and adequate protection against the inroad of tidal waters, does not take care of the surface water, which either falls on or finds its way over these lands.

"I am enclosing an estimate of cost of such a pumping-station, also a description of the lands to be benefited, and also an assessment roll giving the annual payments, etc., for each land-owner. This said assessment roll is based upon the actual assessed value of the land.

"Yours very truly,
"D. J. McGUGAN.

And whereas the said Council is of the opinion that the purchase and installation of said pump and all necessary accessories, building or buildings, rights-of-way, approaches, or other apparatus are desirable:

And whereas the East Delta Pump Construction By-law, 1918, was passed to purchase said pump and make temporary financial arrangements for the same:

Be it therefore enacted by the said Municipal Council of the said Corporation of the District of Delta, pursuant to the provisions of the "Municipal Act":—

1st. That the said report, plans, and estimates be adopted, and that the said pump, with all necessary accessories, building or buildings, rights-of-way, approaches, or other apparatus, be purchased and installed and be made and constructed in accordance therewith:

2nd. That the Reeve and Clerk of said district municipality may borrow on the credit of the Corporation of the said district municipality an amount of money not exceeding the sum of $12,500, being the funds necessary for the purchase and installation of the said pump, with all necessary accessories, building or buildings, rights-of-way, approaches, or other apparatus, and they may issue a debenture or debentures for the total sum borrowed of the Corporation to the amount so borrowed in sums of not less than $100 each, and payable within two years from the date thereof, with interest at the rate of 7 per cent. per annum; that is to say: One-half of said principal sum shall be paid within one year from the date thereof and the remaining half within two years from the date thereof, and the interest payments shall be paid on the unpaid principal at the expiration of six-months periods from the date the moneys are borrowed, such debentures to be payable at the Royal Bank of Canada or the office of the Municipal Clerk at Ladner, in the Province of British Columbia, and to have attached to them coupons for the payment of interest.

3rd. That for the purpose of paying the sum of $12,500, being the amount charged against the said lands so to be benefited as aforesaid, other than the lands belonging to the municipality, and to cover interest thereon for the purpose above mentioned, at the rate of interest aforesaid, the following special rates over and above all other rates shall be assessed and levied upon the undermentioned lots, parts of lots, or other lands and premises more particularly described; and the amount of the said special rates and interest assessed as aforesaid against each lot, part of lot, or property respectively shall be divided into two equal parts, and one such part shall be assessed and levied as aforesaid in each year for two years after the final passing of this by-law during which the said debenture or debentures have to run:—

HIS HONOUR the Lieutenant-Governor, by Order in Council dated May 22nd, 1918, under the provisions of the "Special Surveys Act," has been pleased to order as follows:—

That the complete special survey of District Lots Twenty-nine (29), Thirty (30), and Fifty-three (53), Group 1, New Westminster District, directed, together with the survey of all other lands in Burnaby Municipality, by the Attorney-General on August 31st, 1912, to be made under the provisions of the "Special Surveys Act" by Stuart S. McDiarmid for the purpose of correcting any error or supposed error in respect of any existing survey or plan, and of plotting land not before subdivided, and of showing the divisions of land of which the divisions were not shown on any plan of subdivision, and in respect of which further directions were given by the Attorney-General on March 13th, 1913, and December 23rd, 1913; and the plans thereof which were duly completed and filed on June 18th, 1914, with the Provincial Secretary as amended by the plans filed on January 11th, 1918, with the Provincial Secretary, showing variations, alterations, and amendments duly directed to be made, be approved.
